

RIDDARA

ENVIRO
AUTOMOTIVE
Drive the future

R06 | CHINA'S FIRST ELECTRIC PLATFORM PICKUP

ELECTRIFY YOUR JOURNEY AHEAD

Experience efficient, powerful electricity with intelligent control for a seamless and worry-free future

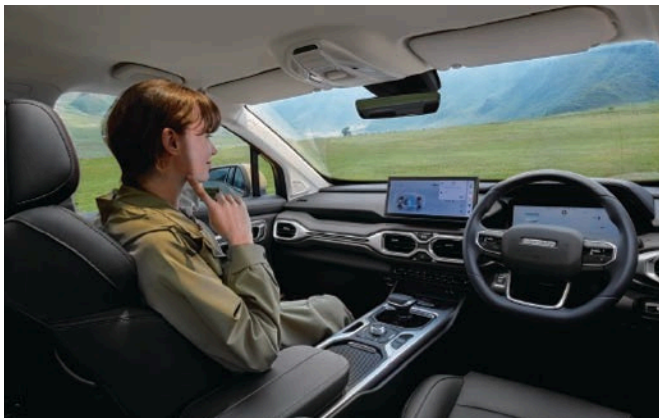

· | 7.3s 0-100 acceleration

| Bosch iBooster EPB

· Efficient and worry-free high-power charging

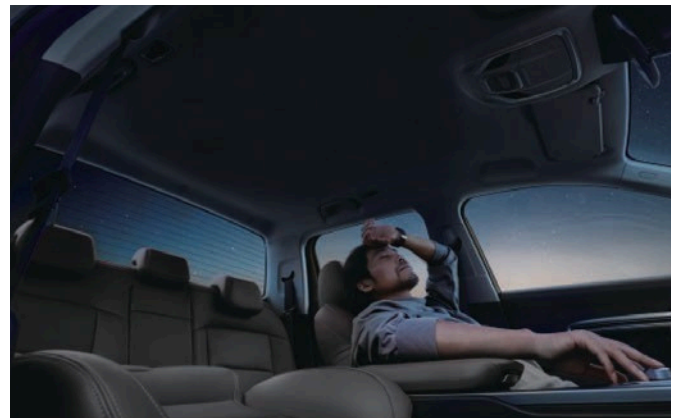

DRIVE INTO THE FUTURE INTELLIGENCE

Enjoy the luxury and comfort of the intelligent cockpit, savor the delicacy of life with a pickup truck

When technology meets fingertips
every touch, sight, and sound with a response

| 3D Stereo

Luxury SUV comparable noise control and Passenger Experience

· | EV NVH + International Cabin Design

| Nature-toned exterior body paint

· | Better Cabin Performance

Explore Low -carbon Life style

Create the Culture of Outdoor Intelligence and Entertainment

Explore the mysterious future with passion, resonates with the charm of luxury
Illuminating the excitement of discovery, towards the allure of the unknown horizon with stars and aurora on the sky

0.32Cd Drag coefficient | 0-100km/h Stopping Distance 38m

Front/Back Independent suspension | BOSCH ESP 9.3 Electronic Stability Control | Integrated body design

66% High strength tempered structure

RIDDARA RD6 CONFIGURATION

Trim Levels	RD6 63kWh
-------------	-----------

Basic vehicle parameters

Overall body size (mm)	5260×1900×1865
Rear cargo box size (mm)	1525×1450×540
Minimum ground clearance (mm)	220
Wheel base (mm)	3120
Number of passengers	5
Minimum turning radius (m)	6.1

Synthetic performance

Battery pack type	Lithium iron phosphate battery
NEDC Driving mileage (km)	377
Battery pack capacity (kWh)	63
Driving type	Rear wheel drive
Motor type	High performance permanent magnet synchronous motor (PMSM)
Charging type	Type 2 / CCS2
Peak motor power (kW)	200
Peak motor torque	384
0-100km/h acceleration time (s)	7.3
Maximum speed (km/h)	185
Vehicle wind resistance coefficient	0.32
Suspension system	Front McPherson independent suspension/rear multi-link independent suspension

Storing space

1200L rear cargo box	●
STC cargo box	●
Detachable inner rope hook	●
70L Front spare box	●
48L Rear seat hidden storage box	●
Rear seat cushion 4/6 ratio fold	●
Electrically unlocked rear door	●

Trim Levels	RD6 63kWh
-------------	-----------

Efficient and powerful electric energy

Cargo box power panel	●
3 driving modes (Comfort/ECO/Sport)	●
Braking energy recovery (3 levels)	●
ONEBOX Electronic power assisted braking system	●
EPB Electronic parking brake Auto-	●
Hold automatic parking	●

Full dimensional higher intelligence

10.25-inch full LCD instrument	●
12.3-inch suspension center control panel	●
Sound system	6 Speakers
Smartphone mirror Link via Carbit	●

Aesthetic design of appearance

Phantom front grille	●
LED headlight	●
LED daily light	●
Full LED taillights	●
235/65 R17 (HT) alloy wheels	●

Comfort configuration

Electric power steering system	●
Intelligent key	1
Keyless entry system Premium	Main driver side
leather seat	●
Main driver seat 6-way adjustment	Electric
Passenger seat 6-way adjustment	Manual
External rearview mirror folds	Manual
Leather steering wheel	●
MFL Multifunction steering wheel	●
Automatic bi-zone air conditioner	●
Air conditioning heating	○
CN95 air conditioning filter element	●
PM2.5 air purification	●
Cruise control system	●

Trim Levels	RD6 63kWh
Safety System	
Reverse sensor	●
Reversing camera	●
ESC Electronic stability control	●
Electric assistant braking	●
Traction control system	●
Hill-start assist control	●
Hill descent control	●
Tire pressure monitoring system	●
Airbag quantity	2
Front seat belt not fastened reminder	●
Child safety seat interface	●
Child safety door locker	●

Remark: "●" indicates the standard configuration, "-" indicates no configuration, and "○" indicates the optional configuration

ROAMING THROUGH THE DIVERSIFIED SPACE

Travel Space, Joyful Electric Extension, Embrace Every Kind of Nature Diversity

Boundless storage space
loading up the brilliance to your heart's content

| 1200L extended Trunk Space

Potent and versatile discharge, with the heart's ardor replenishing energy at all times

6kW intelligent discharging panel: real-time discharge status monitor, intelligent power threshold setting

Trunk Discharge Special Protection, Four-circuit Protection, Vehicle-locked Discharge
